Almost Spring Update

Editor's Comment: As I started my day Thursday morning, looking out the window seeing a dusting of snow, I wondered if spring was around the corner or has Mother Nature just been teasing us again!

For those of us that have spent the winter in Kingston, enjoying some great music and events at the RCHA, I thought I would send out a few pictures from January and February. Thanks to Cathy for taking most of the photos.

It has been a busy winter at the club with great entertainment at TGIF, events such as the Robbie Burns Night, FebFest, and the Kingston Blues Society, to name a few.

March has a full line up as well so come out and welcome spring with some talented local musicians. Mark your calendar on Friday the 17th, **Saint Patrick's Day**, with special guest for TGIF John Somerville, 5:30pm to 8:00pm 🍀
